

Michiana

Christian Camp

Greetings from Michiana Christian Camp,

For the past 50 years, Michiana Christian Camp has been providing a camping experience every summer for youth ages five through seventeen years old. And through the years the ministry has seen lives changed by the power of God's Holy Spirit. M.C.C., because of its beauty and commitment to Christian Camping, is an effective evangelistic tool for today.

I am extremely excited about our staff this summer and the opportunity they have to participate in our Student Missionary Program. This program will provide them with a hands-on mission adventure in a Christian Camp setting.

For the 10 weeks of summer, we will be providing each staff member with a weekly salary and room and board. I am asking, on their behalf, that you would consider helping supplement their income, which in turn, would help provide for these college students a reasonable summer income. These staff members are all top-notch Christian young people, and we feel very fortunate to have them on our staff. They are all giving up higher paying summer jobs so they can serve Christ at Michiana Christian Camp. Your individual gift to them is tax deductible and will be receipted.

Giving to the Lord's work is the safest and wisest investment we can ever make. And God promises us, we will share in the reward. "For God is not unfair. He will not forget the love you showed for Him by the help you gave and are still giving your fellow Christians." (Hebrews 6:10)

Respectfully,
Director of Michiana Christian Camp
